Help Stop Food Insecurity In Your Township

The Valley Lodge Tavern is proud to support the work of the New Trier Township Food Pantry, a local resource for neighbors in need. Each week the township pantry provides supplemental groceries to nearly 100 individuals who otherwise could not make ends meet. During the summer months donations to the pantry decline and we want to help keep the shelves stocked.

Please join us for wonderful food, and 15% of your bill will be donated to the New Trier Township Food Pantry in Winnetka.
