

WILMETTE DISTRICT 39

LECHNER EARLY EDUCATION PROGRAM

The Lechner Early Education Program’s mission is to provide a developmentally based preschool program in a nurturing, language-rich environment. The collaborative team of Early Childhood Specialists including Learning Behavior Specialists, Occupational Therapists, Speech Language Pathologists, and a Social Worker, utilizes a curriculum customized to each child’s potential. LEEP’s inclusive model promotes learning, acceptance, and self-esteem within a diverse population.
